MEMORANDUM FOR : Project Security Officer

SUBJECT : Clearances on 1070th Support Wing Personnel

1. It has been called to my attention on two separate occasions that the Commanding Officer of the 1070th Support Wing is submitting names of personnel to be cleared for activities at Watertown Strip and that although these clearances are processed and approved, there is never any notification to the Commanding Officer at Watertown Strip that these people will be arriving there.

2. It is requested that whenever personnel of the 1070th are cleared for participation in the Project, Watertown Strip be immediately notified that these individuals will be arriving for duty at that station and also that Colonel Ray's office be advised of each of these individuals cleared into Watertown Strip.
